I Brittany Price declare that _____ (Name) is giving SoCal Schnauzers a \$ 400 deposit on _____ (Date) to hold a _____ (Gender, Color, Size, Eye Color, Kennel Club) schnauzer puppy until 8 weeks old. Once the therapy/companion puppy turns six weeks old, the purchaser will be required to give Brittany Price the remaining \$ _____. If the buyer is picking up in person they can pay in cash upon pickup of the puppy. If the breeder cannot provide the purchaser with what they want (such as size, gender & color within 12 **ACTIVE** months of trying to get the buyer what they want) then the deposit will be refunded to the purchaser. If for any reason the buyer decides they cannot get a puppy at that time, they will be removed from the active deposit waiting list. The purchaser can be put back on (giving the breeder an additional 12 months to get the buyer what they want) once the buyer has informed us they are ready. Keep in mind that it rarely ever takes 12 months for the breeder to get the purchaser what they want. The breeder will **NOT** refund the deposit for **ANY** other reason; however deposits are good for life and can be transferred towards a different litter. If SoCal Schnauzers has the projected puppy that is precisely what the purchaser wanted, and the purchaser decides they don't want the puppy at that time for **ANY** reason. The purchaser will have one option: 1) the purchaser can start the contract over again; giving the breeder up to 12 additional months to get the purchaser what they want. The breeder will notify the purchaser once a puppy meeting their criteria is born and also on the agreed day of pick up. SoCal Schnauzers will attempt to contact the purchaser on 3 separate occasions via phone, email & text during these two times. If the purchaser is unable to be reached the breeder has the right to move on to the next purchaser that is on the waiting list. Every puppy comes with up to a lifetime health guarantee, please read the sales agreement to understand how you the purchaser, can keep the guarantee in good standing for the life of your pet. Please allow SoCal Schnauzers up to 60 days to refund you the money if needed.

Deposits are to be taken very seriously.

A deposit is a commitment to paying for a puppy when the projected puppy is born and/or ready to go home. This contract is good for 12 months. Deposits are applied to the puppy's price. Deposits will be based on expected size, color and sex.

** No house visits are allowed until the puppies are at least 6 weeks old for the puppy's safety.*

** No dogs are allowed on my premises. Please do not bring them along on your visit to see my pups.*

**If the buyer does not register the microchip within 30 days of taking the puppy home the health guarantee will be null and void. I want to make sure all my puppies are found if they get lost.*

** I require full payment by 6 weeks of age.*

**ALL Parents are DNA tested by Embark Vet for over 178 or more different hereditary and congenital issues that could be passed down to puppies. This ensures all of our puppies are healthy and clear of any hereditary issues tested for. Results are posted under each parent's pictures for your convenience.*

**This is a binding contractual agreement by both parties whether this form is signed or not. This form is on several pages of our website at all times and we direct everyone to read all of our forms before making any payments. The undersigned buyer hereby acknowledges having read the terms of the contract and does hereby agree to abide by the provisions set forth in this form. If you have not had the opportunity to read this form on my website, Again I advise you to do so at this time. All deposits are final. There will be no refunds of any kind for any reason other than what is set forth in this contract. Buyer accepts that should there be any legal action on either party, it will be settled in a courthouse in the county where the breeder is residing, or jurisdiction of the breeder's choice. If at any time the breeder goes out of business or becomes bankrupt, this contract is null and void and the buyer cannot sue the breeder for anything. If you have questions or concerns please don't hesitate to contact me.*
