

Therapy/Companion Puppy Package

Every **SoCal** puppy comes with:

- ❖ Vaccinated age appropriately (Nobivac) Treated for Distemper, Adenovirus type 1&2, Parainfluenza & Parvo.
- ❖ Extra preventative vaccine towards Parvo at 5 and 7 Weeks of age (Neopar)
- ❖ Kennel club papers upon request only at buyers expence (no breeding rights unless discussed before hand)
- ❖ **1-9 year or lifetime** health guarantee depending on what products you choose to keep the puppy on.
- ❖ Dewormed Correctly (Neemx2, Safeguard, Ivermectin) Treated for Heartworms, Tapeworms, Hookworms, Roundworms, & Whipworms
- ❖ Each and every one of our Schnauzer puppies starts **early neurological stimulation** from 4-16 days old. Five benefits have been observed in canines that were exposed to the Bio Sensor stimulation exercises: Improved cardiovascular performance (heart rate), Stronger heart beats, Stronger adrenal glands, More tolerance to stress & Greater resistance to disease.
- ❖ Pamphlets on Distemper/ Parvo/ Kennel Cough//Common Parasites/ NuVet/ & New Joint & Hypoglycemia (If Purchasing Teacups Only)
- ❖ Micro-chipped **–(Owner must register chip within 30 days or health guarantee is null and void, we want our puppies found if they get lost)**
- ❖ **ALL Parents are DNA tested by Embark Vet** for over 178 or more different hereditary and congenital issues that could be passed down to puppies. None of our parents are affected with any issues. This ensures all of our puppies are healthy and clear of any hereditary/congenital issues that they test for. Results are posted under each parent's pictures for your convenience.
